

Recycle

IN STRATHCONA

Specialty Services:

- **Right-sized services** that can adapt to any business size – Shift bike-powered collections for small offices, Recycling Alternative trucks for medium businesses or sites sharing bins, and front-load bins for large-volume materials
- **Waste Consultations** – knowledgeable staff to help find the best solution for your recycling
- **Full Waste Audits** – have your waste measured and analyzed to determine where you can increase your recycling efforts and reduce your garbage costs
- **Specialty Recycling Clear-outs** – we will have regular pick-ups in your area for specialty recycling such as:
 - o **Electronics Recycling** – computers, TV equipment, small and large appliances
 - o **Batteries** – any type or size, includes cell phones
 - o **Shredding** – confidential document destruction, one-time file purges
 - o **Styrofoam** – white packaging bricks
 - o **Light Bulbs** – CFLs, light tubes, incandescent bulbs, etc
 - o **Metal** – scrap metal such as old shelving, storage, metal straps, cutlery, etc
 - o **Woodwaste** – pallets and clean wood
 - o **Plastic Strapping**
