

Recycle In Strathcona Program Providers

Recycling Alternative has been providing waste reduction and recycling services to businesses throughout the Lower Mainland for over 20 years. In 2009 it pioneered and custom manufactured its 'zero waste' truck, designed specifically to manage multiple stream collection with this single pass vehicle. Considered a leader and innovator in the sector, Recycling Alternative has garnered a reputation in the local community for building innovative recycling models such as the Food Scraps Drop Spots, Vancouver Biodiesel Co-op and the greenHUB through community partnerships and collaborations. Today, Recycling Alternative operates in Vancouver and Calgary, servicing hundreds of sites on a daily, weekly and monthly basis. It has experience servicing clients of all sizes and material streams, from small 1-2 person offices using to high volume organics generators such as supermarkets and on-flight caterers.

Shift Delivery has been providing delivery and collection services to Vancouver clients for over 4 years, handling products as diverse as industrial laundry, office supplies, dry-cleaning, corporate lunches, Community Supported Agriculture boxes and more. In contracted agreements, Shift Delivery has completed over 75,000 deliveries and pickups, with a strong focus on outstanding customer service, and a commitment to safety at every turn.

The Strathcona Business Improvement Association represents over 750 business and commercial property owners within the boundaries of Gore Avenue, Clark Drive, Railway Street, and Venables Street. Its area is a broad mix of industrial, commercial, retail and residential zoning, with over 200 heritage-designated properties. Many of its members have been in the area for longer than 25 years, making Strathcona one of the most stable commercial districts in Canada. All SBIA properties zoned Class 5 and Class 6 are subject to City of Vancouver BIA levies, and anyone paying this levy, whether through property tax or within a lease, is automatically a member of the association.
